The year was 1986.... The Ford Aeorstar (worlds ugliest minivan) was introduced into the automotive market on the same chassis as the F-150.... and a Fresh Group called Glass Tiger released a hit single that went something like this...

Verses

Part A

A D G A D G
You take my breath away wooah woah woah oh
A D G A D G
Love thinks it s here to stay wooah woah woah oh

PArt B

Bm C#m D E7
There s still so much for me to do
Bm C#m D E7
And I can t stop loving you
Bm C#m D E7
Oh can this be true

If you could see what I have seen
(The) broken hearts and broken dreams
Then I wake up and you re not there
Pain finds me everywhere
Oh! but you don t care

CHORUS:

F Bb F
Don t forget me when I m gone
Bb F
My heart would break
F Bb C
I have loved you for so long
C
It s all I can take
