

Neon Bedroom
Glasvegas

D Em A7
Night times falling soon to your neighborhood I ll return to you
D Em A7
I crash clear as your window I m looking through
D Em A7
A curiosity, somehow, invisible to you
D Em A7
I wa wa wa wa wander what happens in your
Em A7 D
Neon Bed----room

D Em A7
I spy with my little eyes something beginning with you
D Em A7
Approaching your home ?????? my eyes are blurred
D Em A7
The flickering of the tv makes a silhouette of you
D Em A7
A strope, a mistery, I wanted to
Em A7 D
Into your Neon Bed----room

D
I m someone younger, I m someone new
Em A7
If you must pretend then I ll pretend too
D Em A7
Between your four walls ??????
D Em A7
Still I remain a stranger in your avenue
D Em A7
Still you remain a curiosity I can t help hold on to
Em A7 D
In your Neon Bed----room

D
On the borderline of youth weaving
Em A7
Goodbye childhood
D
Innocence gone for a good
Em A7
I ll be your one man soon if you teach me how to
D Em A7
Every night walking the ??????????
D Em A7
Every night I stop, I watch my own shadow lean
