[Verse 1]

**C**                    **G/B**                    **F/A**

         **G/B**                    **C**  
Make you feel unpretty too  
         **G/B**                    **F/A**  
I was told I was beautiful  
         **G/B**                    **C**  
But what does that mean to you  
         **G/B**                    **F/A**  
Look into the mirror who s inside there  
         **G/B**                    **C**  
The one with the long hair  
         **G/B**            **F/A**            **G/B**  
Same old me again today

[Verse 2]

**C**                    **G/B**  
My outsides are cool  
         **F/A**                    **G/B**  
My insides are blue  
         **C**                    **G/B**  
Everytime I think I m through  
         **F/A**                    **G/B**  
It s because of you  
         **C**                    **G/B**  
I ve tried different ways  
         **F/A**                    **G/B**  
But it s all the same  
         **C**                    **G/B**  
At the end of the day  
         **F/A**  
I have myself to blame  
         **G/B**  
I m just trippin

[Verse 3]

(Same chords like verse 1)

Never insecure until I met you  
 Now I'm being stupid  
 I used to be so cute to me  
 Just a little bit skinny  
 Why do I look to all these things  
 To keep you happy  
 Maybe get rid of you  
 And then I'll get back to me

[Verse 4]

My outsides look cool  
 My insides are blue  
 Everytime I think I'm through  
 It's because of you  
 I've tried different ways  
 But it's all the same  
 At the end of the day  
 I have myself to blame  
 Keep on trippin

[Pre-Chorus]

You can buy your hair if it won't grow  
 You can fix your nose if he says so  
 You can buy all the make-up that mac can make

But if you can t look inside you  
Find out who am I to  
Be in a position to make me feel so damn unpretty
