C	G	D	Em7
You were in college working part time waiting tables			
C	G	D	
Left a small town, never looked back			
C	G	D	Em7
I was a flight risk with a fear of falling			
C	G	D	
Wondering why we bother with love if it never lasts			

C G D	C G
I say can you believe it?	
D	C G
As we re lying on the couch	
D	
The moment I could see it	
C G D	
Yes, yes, I can see it now	

C	G
Do you remember we were sitting there by the water	
D	Em D
You put your arm around me for the first time	
C	G
You made a rebel of a careless man s careful daughter	
D	Em D C
You are the best thing that s ever been mine	

C	G	D	Em7
Flash forward and we re taking on the world together			
C	G	D	
And there s a drawer of my things at your place			
C	G	D	Em7

You learn my secrets and you figure out why I m guarded

C G D

You say we ll never make my parents mistakes

C G D

But we got bills to pay

C G D

We got nothing figured out

C G D

When it was hard to take

C G D

Yes, yes, this is what I thought about

And I remember that fight, two thirty AM

D

When everything was slipping out of our hands

Em C D

I ran out crying and you followed me out into the street

C G D

Braced myself for the goodbye

C G D

Cause that s all I ve ever known

C G D

And you took me by suprise

C G D C

You said I ll never leave you alone
