You learn my secrets and you figure out why I m guarded
You say we ll never make my parents mistakes

    But we got bills to pay
    We got nothing figured out
CGD
    When it was hard to take
Yes, yes, this is what I thought about
Do you remember we were sitting there by the water
                          \mathbf{Em}
You put your arm around me for the first time
You made a rebel of a careless man s careful daughter
                       \mathbf{Em}
You are the best thing that s ever been mine
Do you remember all the city lights on the water
                       Em
You saw me start to believe for the first time
You made a rebel of a careless man s careful daughter
You are the best thing that s ever been mine
Do you remember we were sitting there by the water
                          Em
You put your arm around me for the first time
You made a rebel of a careless man s careful daughter
                       Em
You are the best thing that s ever been mine
        Εm
And I remember that fight, two thirty AM
When everything was slipping out of our hands
I ran out crying and you followed me out into the street
  Braced myself for the goodbye
   Cause that s all I ve ever known
  And you took me by suprise
