

You learn my secrets and you figure out why I m guarded

**D** **A** **E**  
You say we ll never make my parents mistakes

**D A E**  
But we got bills to pay

**D A E**  
We got nothing figured out

**D A E**  
When it was hard to take

**D A E**  
Yes, yes, this is what I thought about

**D** **A**  
Do you remember we were sitting there by the water

**E** **F#m** **E**  
You put your arm around me for the first time

**D** **A**  
You made a rebel of a careless man s careful daughter

**E** **F#m** **E**  
You are the best thing that s ever been mine

**D** **A**  
Do you remember all the city lights on the water

**E** **F#m** **E**  
You saw me start to believe for the first time

**D** **A**  
You made a rebel of a careless man s careful daughter

**E** **F#m** **E**  
You are the best thing that s ever been mine

**D** **A**  
Do you remember we were sitting there by the water

**E** **F#m** **E**  
You put your arm around me for the first time

**D** **A**  
You made a rebel of a careless man s careful daughter

**E** **F#m** **E** **D**  
You are the best thing that s ever been mine

**F#m** **D**  
And I remember that fight, two thirty AM

**E**  
When everything was slipping out of our hands

**F#m** **D** **E**  
I ran out crying and you followed me out into the street

**D A** **E**  
Braced myself for the goodbye

**D A** **E**  
Cause that s all I ve ever known

**D A** **E**  
And you took me by suprise

**D A** **E** **D**

You said I ll never leave you alone

You said

**D** **A**  
I remember how we felt sitting by the water  
**E** **F#m** **E**  
And every time I look at you it s like the first time  
**D** **A**  
I fell in love with a careless manâ€™s careful daughter  
**E**  
She is the best thing thatâ€™s ever been mine

**D** **A**  
Hold on, we can make it last  
**E** **F#m** **E**  
Hold on, never turn back  
**D** **A**  
You made a rebel of a careless man s careful daughter  
**E**  
You are the best thing that s ever been mine

**D** **A** **E**  
(Hold on) Do you believe it?  
**D** **A** **E**  
(Hold on) Weâ€™re gonna make it now  
**D** **A** **E**  
(Hold on) And I can see it  
**D** **A** **E**  
Yeah, yeah (I can see it now, see it now, see it now)
