Capo on 3rd fret

[Intro]

Dsus2 **A** **G**

[Puck]

Dsus2

Well, we bursted out of class

A

Had to get away from those fools

G

We learned more from a 3-minute record, baby

Dsus2 **A**

Than we ever learned in school

Dsus2

Tonight I hear the neighborhood drummer sound

A

I can feel my heart begin to pound

G

You say you re tired and you just want to close your eyes

Dsus2 **A**

And follow your dreams down

Dsus2 **A** **G**

Well, we made a promise we swore we d always remember

Dsus2 **A** **Dsus2**

No retreat, baby, no surrender

Dsus2 **A** **G**

Like soldiers on the winter s night

G

With a vow to defend

Dsus2 **A** **Dsus2**

No retreat, baby, no surrender

Dsus2

Well, now young faces grow sad and old

A

And hearts of fire grow cold

G

We swore blood brothers against the wind

Dsus2

A

And I m ready to grow young again

Dsus2

And I hear your sister s voice calling us home

A

Across the open yards

G

Well even we can cut someplace of our own

Dsus2

A

With these drums and these guitars

Dsus2

A

G

Cause, we made a promise we swore we d always remember

Dsus2

A

Dsus2

No retreat, baby, no surrender

Dsus2

A

Blood brothers on a summer s night

G

With a vow to defend

Dsus2

A

Dsus2

No retreat, baby, no surrender

(Strumming)

Dsus2

A

Huh ah ah ah ah ah ah

Dsus2

A

Dsus2

Huh ah ah ah ah ah ah

Dsus2

Now out on the streets tonight the lights are growing dim

A

And the walls of my room are closing in

G

But it s good to see your smiling face

Dsus2

A

And to hear your voice again

Dsus2

Now we can sleep in the twilight

A

By the river bed

G

With a wide open country in our hearts

Dsus2

A

And these romantic dreams in our hands

Dsus2

A

G

Cause, we made a promise we swore we d always remember

Dsus2

A

Dsus2

No retreat, baby, no surrender

Dsus2

A

Blood brothers on a summer s night

G

With a vow to defend

Dsus2

A

Dsus2

No retreat, baby, no surrender

Dsus2

A

Dsus2

No retreat, baby, no surrender
