Tonight I hear the neighborhood drummer sound A I can feel my heart begin to pound G You say you re tired and you just want to close your eyes Dsus2 A And follow your dreams down

Dsus2 Α G Well, we made a promise we swore we d always remember Dsus2 Dsus2 Α No retreat, baby, no surrender Dsus2 Α G Like soldiers on the winter s night G With a vow to defend Dsus2 А Dsus2 No retreat, baby, no surrender

Well, now young faces grow sad and old Α And hearts of fire grow cold G We swore blood brothers against the wind Dsus2 Α And I m ready to grow young again Dsus2 And I hear your sister s voice calling us home Δ Across the open yards G Well even we can cut someplace of our own Dsus2 Α With these drums and these guitars

А Dsus2 G Cause, we made a promise we swore we d always remember Α Dsus2 Dsus2 No retreat, baby, no surrender Dsus2 Α Blood brothers on a summer s night G With a vow to defend А Dsus2 Dsus2 No retreat, baby, no surrender

(Strumming) Dsus2 A Huh ah ah ah ah ah ah Dsus2 A Huh ah ah ah ah ah ah

Dsus2

Now out on the streets tonight the lights are growing dim Α And the walls of my room are closing in G But it s good to see your smiling face Dsus2 Α And to hear your voice again Dsus2 Now we can sleep in the twilight Α By the river bed G With a wide open country in our hearts Dsus2 Α And these romantic dreams in our hands
