

Shake It Out
Glee Cast

Originally by Florence + The Machine but I really love this version of the song so here it goes:

Capo 5

N.C.

Regrets collect like old friends
Here to relive your darkest moments
I can see no way, I can see no way
And all of the ghouls come out to play

Am **F** **C**
And every demon wants his pound of flesh
G **Am**
But I like to keep some things to myself
F **Dm**
I like to keep my issues drawn
F **C**
It s always darkest before the dawn

C
And I ve been fool and I ve been blind
F
I can never leave the past behind

I can see no way, I can see no way
C
I m always dragging that horse around

Am **F** **C**
Our love is pastured such a mournful sound
G **Am**
Tonight I m gonna bury that horse in the ground
F **Dm**
I like to keep my issues drawn
F **C**
But it s always darkest before the dawn

C
Shake it out, shake it out
Shake it out, shake it out, oh whoa
C
Shake it out, shake it out
Shake it out, shake it out, oh whoa

F
And it s hard to dance with a devil on your back

C

So shake him off, oh whoa

Am F C
And I am done with my graceless heart

G Am
So tonight I m gonna cut it out and then restart

F Dm
Cause I like to keep my issues drawn

F C
It s always darkest before the dawn

C
Shake it out, shake it out
Shake it out, shake it out, oh whoa

C
Shake it out, shake it out
Shake it out, shake it out, oh whoa

F
And it s hard to dance with a devil on your back

C
So shake him off, oh whoa

Am F
And it s hard to dance with the devil on your back

C G
And given half the chance, would I take any of it back

Am F
It s a fine romance but it s left me so undone

Dm F C
It s always darkest before the dawn

Dm
And I m damned if I do and I m damned if I don t

Am G
So here s to drinks in the dark, at the end of my road

Dm
And I m ready to suffer and I m ready to hope

Am G
It s a shot in the dark aimed right at my throat

F
Cause looking for heaven, found the devil in me

Am G
Looking for heaven, found the devil in me

F G
But what the hell, I m gonna let it happen to me, yeah

C
Shake it out, shake it out
Shake it out, shake it out, oh whoa

C
Shake it out, shake it out

Shake it out, shake it out, oh whoa

F

And it s hard to dance with a devil on your back

C

So shake him off, oh whoa

C

Shake it out, shake it out

Shake it out, shake it out, oh whoa

C

Shake it out, shake it out

Shake it out, shake it out, oh whoa

F

And it s hard to dance with a devil on your back

C

So shake him off, oh whoa

C

Shake it out, shake it out

Shake it out, shake it out, oh whoa

C

Shake it out, shake it out

Shake it out, shake it out, oh whoa

F

And it s hard to dance with a devil on your back

C

So shake him off, oh whoa
