Em           A           D
The first time ever I saw your face
Bm           F#m           G
I thought the sun rose in your eyes
           D           A           D
And the moon and the stars were the gifts you gave
           Am7           D
To the dark and the endless skies, my love
```
