[Verse 1]
```
            Bbm   G#
You with the sad eyes

Don t be discouraged

Oh, I rea-lize
      F#              C#
It s hard to take courage
      Bbm             G#
In a world full of people
F#                  C#
You can lose sight of it all
     Bbm             G#
And darkness still inside you
          F#         C#
Make you feel so small
```
