~~~~ This is my first time making a tab here. I m no pro. Just your ordinary music  
lovin, guitar playin, love sharin chick :) feel free to leave corrections and comments~~~~

Tuning: Standard  
Capo 2nd fret

Intro: **E B A B** 2x

**E A**  
I know it s late

**E**  
I know you re weary

**E A E B**  
I know your plans don t include me

**E A**  
Still here we are

**E**  
Both of us lonely

**E A E B**  
Longing for shelter from all that we see

**E A**  
Why should we worry?

**E**  
No one will care, girl

**E A E B**  
Look at the stars now, so far away

**E A**  
We ve got tonight

**E**  
Who needs tomorrow?

**E A E**  
We ve got tonight, babe, why don t you stay?

**E A**  
Deep in my soul

**E**  
I ve been so lonely

**E A E B**  
All of my hopes now so fading away

**E A**

I ve longed for love

**E**

Like everyone else does

**E A E B**

I know I ll keep searching after today

**E A**

So there it is, girl

**E**

We ve got it all now

**E A**

And here we are, babe

**E B**

What do you say?

**E A**

We ve got tonight

**E**

Who needs tomorrow?

**E A E B**

We ve got tonight, babe, why don t we stay?

**Dsus2 E**

I know it s late and I know you re weary

**Dsus2 E**

I know your plans don t include me

**Asus2 B Cadd9**

Still here we are

**E Asus2 E**

Both of us lonely , both of us lonely

**E A**

We ve got tonight

**E**

Who needs tomorrow?

**E A**

Let s make it last

**E B**

Let s find a way

**E A E**

Turn out the light, come take my hand now

**E A E B**

We ve got tonight, babe, why don t we stay?

**E A E A E**

We ve got tonight, babe, why don t we stay?
