

Barely Breathing
Glee

I know what you're doing, I see it all to clear **Em A7**
I only taste the saline when I kiss away your tears **C9 D9**
You really had me going, wishing on a star **Em A7**
But the black holes that surround you are heavier by far **C9 D9**
I believed in your confusion, you were so completely torn **Em A7**
Well it must have been that yesterday was the day that I was born **C9 D9**
There's not much to examine, there's nothing left to hide **Em A7**
You really can't be serious if you have to ask me why **C9 D9**
F
I say good-bye...

Cause I am barely breathing **C9**
And I can't find the air **G**
I don't know who I'm kidding **Am**
Imagining you care **F**
And I could stand here waiting **C9**
A fool for another day **G**
But I don't suppose it's worth the price, worth the price **Am**
The price that I would pay **F**

(**Em A7 C9 D9**)
Everyone keeps asking, what's it all about?
I used to be so certain and I can't figure out
What is this attraction? I only feel the pain
There's nothing left to reason and only you to blame
F7+
Will it ever change?

(**C9 G Am F**)
Cause I am barely breathing
And I can't find the air

I don?t know who I?m kidding
Imagining you care
And I could stand here waiting
A fool for another day
But I don?t suppose it?s worth the price, worth the price
The price that I would pay
But I?m thinking it over anyway...

D **Am**
I?ve come to find I may never know
G **F**
Your changing mind Is it friend or foe?
D **Am**
I rise above Or sink below
G **F**
With every time You come and go
 Em
Please don?t come and go

(**C9** **G** **Am** **F**)
Cause I am barely breathing
And I can?t find the air
I don?t know who I?m kidding
Imagining you care
And I could stand here waiting
A fool for another day
But I don?t suppose it?s worth the price, worth the price
The price that I would pay
But I?m thinking it over anyway...
