

Barely Breathing
Glee

I know what you're doing, I see it all to clear
I only taste the saline when I kiss away your tears
You really had me going, wishing on a star
But the black holes that surround you are heavier by far
I believed in your confusion, you were so completely torn
Well it must have been that yesterday was the day that I was born
There's not much to examine, there's nothing left to hide
You really can't be serious if you have to ask me why
I say good-bye...

Cause I am barely breathing
And I can't find the air
I don't know who I'm kidding
Imagining you care
And I could stand here waiting
A fool for another day
But I don't suppose it's worth the price, worth the price
The price that I would pay

(Em A7 C9 D9)
Everyone keeps asking, what's it all about?
I used to be so certain and I can't figure out
What is this attraction? I only feel the pain
There's nothing left to reason and only you to blame
Will it ever change?

(C9 G Am F)
Cause I am barely breathing
And I can't find the air

I don't know who I'm kidding
Imagining you care
And I could stand here waiting
A fool for another day
But I don't suppose it's worth the price, worth the price
The price that I would pay
But I'm thinking it over anyway...

D **Am**
I've come to find I may never know
G **F**
Your changing mind Is it friend or foe?

D **Am**
I rise above Or sink below
G **F**
With every time You come and go

Em
Please don't come and go

(**C9 G Am F**)

Cause I am barely breathing
And I can't find the air
I don't know who I'm kidding
Imagining you care
And I could stand here waiting
A fool for another day
But I don't suppose it's worth the price, worth the price
The price that I would pay
But I'm thinking it over anyway...
