Turn in your teasin comb and go back to high school

Solo: C#m C4 C6

Beauty school drop-out,
hangin around the corner store
Beauty school drop-out,
it s about time you knew the score
Well they couldn t teach you anything,
you think you re such a looker
But no customer would go to you,
unless she was a hooker
Baby don t sweat it,
you re not cut out to hold a job
Better forget it,
who wants their hair done by a slob
Now your bangs are curled, your lashes twirled,
But still the world is cruel
Wipe off that angel face and go back to high school
Baby don t blow it,
don t put my good advice to shame
Baby you know it,
Even Dear Abby d say the same
Now I ve called the shot, get off the pot, I really gotta fly
Gotta be goin to that maltshop in the sky

Solo: Dm F Dm

Beauty school drop-out,
go back to high school
