(mesmos acordes até o fim da música)

I bust the windows out ya car
You know I did it cuz I left my mark
with my initials with a crowbar
And then I drove up into the door

I bust the windows out ya car
you should feel lucky that was all I did

After 5 whole years of this bullshit
Gave you all of me and you played with it

I must admit it helped a little bit
To think of how you feel when you saw it
I didn't think that I had that much strength
But I'm glad too see what happens when

You see you can't just play with people's feelings
Tell them you love them and don't mean it
You probably say that it was juvenile
But I think that I deserve to smile

Bustin out yo car
But it don't come back to my broken heart
You could never feel I how I felt that day
Until it happens baby you don't know pain

Ooh Yeah I did it (yeah I did it)
You should know it (you should know it)
I ain't sorry (I ain't sorry)
You deserved it (you deserved it)
After what you did to me (after what you did)
You deserve it (you deserve it)
I ain't sorry no no (I ain't sorry)

You caused me pain
Bustin out yo car(?)
But it don't come back to my broken heart
You could never feel I how I felt that day
Until it happens baby you don't know pain
Ooh Yeah I did it (yeah I did it)
You should know it (you should know it)
I ain't sorry (I ain't sorry)
You deserved it (you deserved it)
After what you did to me (after what you did)
You deserve it (you deserve it)
I ain't sorry no no (I ain't sorry)

Even though what you did to me was much worse
I had to do something to make you hurt
Oh but why am I still crying?
Why am I the one who's still crying?
Oh oh you really hurt me baby
You really you really hurt me baby
Hey hey hey hey hey
Now watch me Yule
Now watch me Yule
Oooh I bust the windows out your car.
