

Get It Right
Glee

Intro: **Bm A G**

Bm G

What have I done?

D

I wish I could run,

A

Away from this ship going under,

Bm G

Just trying to help

D

Hurt everyone else

A

Now I feel the weight of the world is

Bm A G A

On my shoulders

D A

What can you do when your good isn't good enough

Bm A G

And all that you touch tumbles down?

D

A

Cause my best intentions keep making a mess of things,

Bm A G

I just wanna fix it somehow

Bm A G

But how many times will it take?

Bm A G

Oh, how many times will it take for me

D A

To get it right?

Bm A G

To get it ri-ii-ight?

Bm G

Can I start again,

D

With my faith shaken?

A

Cause I can't go back and undo this

Bm G

I just have to stay

D

And face my mistakes,

A

But if I get stronger and wiser,

Bm A G A

I'll get through this

Then finally someone will see how much I care
