

Get It Right
Glee

Intro: **Bm A G**

Bm G
What have I done?

D
I wish I could run,

Bm A G A
On my shoulders

D A
What can you do when your good isn't good enough

Bm A G
And all that you touch tumbles down?

D A
Cause my best intentions keep making a mess of things,

Bm A G
I just wanna fix it somehow

Bm A G
But how many times will it take?

Bm A G
Oh, how many times will it take for me

D A
To get it right?

Bm A G
To get it ri-ii-ight?

Bm G
Can I start again,

D
With my faith shaken?

A
Cause I can't go back and undo this

Bm G
I just have to stay

D
And face my mistakes,

A
But if I get stronger and wiser,

Bm A G A

I'll get through this
