

Light Up The World
Glee

Intro: C D Em

 C D Em
hey-hey-hey you and me keep on dancing in the dark,
 C D Em
it s been tearing me apart, never knowing what we are.
 C D Em
hey-hey-hey you and me keep on tryin to play it cool,
 C D Em
now it s time to make a move and that s what i m gonna do.

 C
lay it all down
D Em
got something to say
 C
lay it all down
D Em
throw your doubt away
 C
do or die now
D Em
step onto the plate
 C D Em
blow the door wide open like up up and away

 C D Em
let s light up the world tonight
 C D Em
you gotta give up the bark and bite
 C D Em
i know that we got the love alright
 C D Em
come on and li-li-light it up, light it up tonight

 C D Em
hey-hey-hey you and me turn it up ten thousand watts.
 C D Em
tell me why we ve gotta stop, i just want to let it rock.
 C D Em
hey-hey-hey you and me keep on staring at the road,
 C D Em
like we don t know where to go, step back, let me take control.

 C
lay it all down
D Em

got something to say

C

lay it all down
