Why carry on without me?

Everytime I try to fly

**C#m G#m**

I fall without my wings

I feel so small

And everytime I see you in my dreams

**G#m A**

I see your face, it s haunting me

**B E**

I guess I need you baby

INTRO: **E B E G#m**

What have I done?  
**B E**  
You seem to move on easy
