When you re kneeling through the hours

E A  
And you re doubting your given powers

E B  
When you re ready for her mercy

A E  
And you re worthy, it will come

E B  
When you re sneaking round the back door

E A  
and she s waiting for you no more

E B  
When you re ready for her mercy

A E  
And you re worthy, it will come

E B  
When the birds tuning up still

E A  
And the dawn breaks on your window sill

E B  
When you re ready for her mercy

A E  
And you re worthy, it will come
