

High Hope

Glen Hansard

C/G **F** **G**
I m working on a high hope
C/G **F** **G**
And if it all works out you might
 Am **G** **F**
just see me or hear from me in a while

C/G **F** **G**
I m gonna make it cross this tight rope
C/G **F** **G**
And I m coming for my prize no more
 Am **G** **F**
I ll be waiting round while life just passes by

G **F**
Maybe when our hearts have realigned
 G **F** **C/G**
Maybe when we ve both had some time I m gonna see you there
 C **G** **Am** **G** **F**
I m gonna see you there. The--e--e--e--re.
 C **G** **Am** **G** **F**
I m gonna see you there. The--e--e--e--re.

C/G **F** **G**
Cause I ve been living in a half-life
C/G **F** **G**
Not sure which way to turn. Why must a man
 Am **G** **F**
lose everything to find out what he wants

C/G **F** **G**
And I m gonna wait until it feels right
C/G **F** **G**
And when that time has come wild horses
 Am **G** **F**
won t keep me back from where you ve up and gone

G **F**
Maybe when we re both old and wise
 G **F** **C/G**
Maybe when our hearts have had some time I m gonna see you there
 C **G** **Am** **G** **F**
I m gonna see you there. The--e--e--e--re. (Where we can be natural)
C **G** **Am** **G** **F**
The--e--e--e--re. (After all we ve seen, we can do anything)
The--e--e--e--re. (Where the good times come, where we are forever young)
The--e--e--e--re. (Where the heart is strong, where you come forevermore)

The--e--e--e--re. (Where we can be. Where we can be natural)
The--e--e--e--re.
The--e--e--e--re. (I m gonna see you there.)
The--e--e--e--re.

C/G **F** **G**
Coz I m working on a high hope
C/G **F** **G**
And if it all works out you might
 Am **G** **F**
just see me or hear from me in a while
