| **Em** | **G** | **Am** | **C-G/B** | x2

I can be a (**Em**) rock-hardheaded fool
Stubborn as a (**G**) two dollar 4-H mule
Hard to (**Am**) handle as your granddad s (**C**)tools
But (**D**) I could be the (**Em**) one

I can be as (**Em**) loud as an F-16
I got a (**G**) river-wide redneck streak
Yeah, I can be a (**Am**) full blown SOB (**C**)
But (**D**) I could be the (**Em**) one

(Chorus)

I could be the (**G**) one that s the one for you
I could be your (**D**) one crazy dream come true
I could be the (**Em**) arms, I could be the (**D**) heart
I could be the (**A/C#**) love you could fall (**C**) into (**D**)
With (**G**) somebody like you with me
There ain t no (**D**) tellin what I could be
Cause you could be a (**Am**) star
You could even be the (**C**) sun
But (**D**) I could be the (**Em**) one (**G-Am-C-G/B**)

I could be a (**Em**) too much tequila mistake
Or I could be your (**G**) heart s big lucky break
Might be a (**Am**) little more than you can (**C**) take
But (**D**) I could be the (**Em**) one

Chorus

(**G-D-Em-D-A/C#-C-D**)

Yeah, with (**G**) somebody like you with me
There ain t no (**D**) tellin what I could be
Cause you could be a (**Am**) star
You could even be the (**C**) sun
But (**D**) I could be the (**Em**) one (**A/C#**)
Yeah, you could be a (**C**) star
You could even be the (**D**) sun
But I could be the one (**Em-G-Am-C**)
Yeah, (**G/B**) I could be the one (**Em-G-Am-C-G/B-Em**)
