I stand at the gate,

And the song that I sing is of moon light;

I stand and I wait

For the touch of your hand in the June night;

The roses are sighing a moonlight serenade.

The stars are aglow,

And tonight how their light sets me dreaming.

My love, do you know

That your eyes are like stars brightly beaming?

I bring you and sing you a moonlight serenade.

A heavenly breeze kissing the trees.
