

Starways To The Star
Glenn Miller

(Intro:)

Dm **Fdim**
There s a silver trail of moonlight
 Em7 **A9**
Leading upward to the sky,
 Dm **Fdim** **E7/5-**
And the night is like a velvet lullaby.
 E9
There s a heaven of blue,
 Bb7 **A7sus4** **A7** **A7/5+**
And we ll go there, just you and I.

(Melody:)

D **A7/5+** **Am7** **G#7 Gmaj7**
Let s build a stairway to the stars,
 Gdim **Bm**
And climb that stairway to the stars
 E9 **Em7** **A7/5+** **C7** **B7** **G#7** **G7**
With love beside us to fill the night with a song.

D **A7/5+** **Am7** **G#7 Gmaj7**
We ll hear the sound of violins,
 Gdim **Bm**
Out yonder where the blue begins;
 E9 **Em7** **A7/5+** **D6** **Fdim** **C#7**
The moon will guide us as we go driving along.

(Bridge:)

F#m **B9** **Bm**
Can t we sail away on a lazy daisy petal
F#m **B9**
Over the rim of the hill?
Em **A9** **Am**
Can t we sail away on a little dream
 Em7 **F#** **Bb7** **A7** **A7/5+** **D**
And settle high on the crest of a thrill?

A7/5+ **Am7** **G#7 Gmaj7**
Let s build a stairway to the stars,
 Gdim **C7** **Bm**
A lovely stairway to the stars;
 E9 **Dm7** **G7/5+** **D6** **B9** **A7** **A7/5+** **D6/9**
It would be heaven to climb to heaven with you.
