this has been worked out from the appearance on "later with jools Holland" -
couldn't quite get some of the lyrics.

please post corrections.

watch out for the bar of two/four after the word "chin" - its C then move
bass note to B ,

the notes in **Csus2/B** go **B,D,G,C** low to high

Untouchable " Glenn Tilbrook

Am **Am/G** **Dm**
Heaven knows you've got to open up somehow
 F **G** **C , Csus2/B**
I can take it on the chin
Am **Am/G** **Dm**
There's nothing I can do if you wont let it out
 F **G** **C , Csus2/B**
And you wont let me in
C **C7** **F**
You showed interest in me
 Dm **C**
But I was outside looking in
 C **F**
How is it you got to be
 Dm **G** **Dm** **G**
So untouchable so untouchable

(2nd verse + chorus " same chords as first)

You're your own worst enemy when you're like this
You know that it's the truth
There's nothing I can do if you won't spare a thought
For anyone but you

Are you scared you won't return
If you cross the final line
With no bridges left to burn

Dm **G** **Dm** **E**
You're untouchable you're untouchable

E **Am**
You can rant and rave all day
 C7 / / /

And increasingly you do

F

You never used to be this way

Dm (**Dm, G**)

So how does ??? get to you

third verse + chorus = same chords as first

Never going to know what it is all about

Till you stop trusting me

Take this as a friendly shot across your bows

As you can't talk to me

You are obviously fraught

I've said all that I can say

Now the ball is in your court

Whacky baccho walk away

We could slowly drift apart

Intrigue only lasts so long

Its up to you to make a start

You're untouchable you're untouchable

Heaven knows you've got to open up somehow

I can take it on the chin
