```

В

G#m

And you wander through these to climb these grapevines...

I ll say it to be proud, won t have my life turn upside down Says the man with some, with some gold forged plan Of life so incomplete, like weights strapped around my feet Tread careful one step at a time

And you seem to break like time So fragile on the inside, you climb these grapevines Would you look now unto the pit of me on the ground

F#m

And you wander through these to climb these grapevines...

D A E F#m

To know, to feel, to play me once again

D E F#m

Do you denote from what we feel

D A E F#m

Do you not know, i see you play the game

D E

Do you denote...

(C#m - A - B)

La flama niposa, la ombra dispare La noce immortale, la voce murmure

 $(\mathbf{F} \# \mathbf{m} - \mathbf{D} - \mathbf{A} - \mathbf{E})$

To know, to feel, to play me once again

Do you denote...

Do you not know, i see you play the game Denote...

End : G#m - E - F#
