

Anything For You
Gloria Estefan

key: F#

F# G#m C#
Anything for you / though you're not here
F# G#m Bb
Since you said we're through / it seems like years
D#m F#
Time keeps dragging on and on / and forever's been and gone
G#m C#
Still I can't figure what went wrong

F# G#m C#
I'd still do anything for you / I'll play your game
F# G#m Bb
You hurt me through and through / but you can have your way
D#m F#
I can pretend each time I see you / that I don't care and I don't need you
G#m C#
And though you'll never see me cryin' / you know inside I feel like dying

F# G#m C#
And I'd do anything for you / in spite of it all
F# G#m Bb
I've learned so much from you / You made me strong
D#m F#
Don't you ever think that I don't love you / that for one minute I forgot you
G#m C#
But sometimes things don't work out right / and you just have to say goodbye
D#m F#
I hope you find someone to please you / someone who'll care and never leave you
G#m C#
But if that someone ever hurts you / you just might need a friend to turn to

F# G#m C#
And I'd do anything for you / I'll give you up
F# G#m Bb
If that's what I should do / to make you happy
D#m F#
I can pretend each time I see you / that I don't care and I don't need you
G#m C#
And though inside I feel like dying / you know you'll never see me cryin'
D#m F#
Don't you ever think that I don't love you / that for one minute I forgot you
G#m C#
But sometimes things don't work out right / and you just have to say goodbye
