

**Cuts Both Ways**  
**Gloria Estefan**

**G** **D**  
It cuts both ways  
**Em** **C**  
Our love is like knife that cuts both ways  
**G**  
It s driven deep into my heart each time  
**D**  
That I realize

**Em** **C**  
How it cuts both ways  
**G**  
Can t be together, cannot live apart  
**D** **Em**  
We re heading straight into a broken heart  
**C**  
But I can t stop

CHORUS:

**G** **D**  
Cause I feel too much to let you go  
**Em** **C**  
I m hurting you and it s hard I know  
**G** **D**  
To stay and fight for what we ve got  
**Em** **C**  
Knowing it ll never be good enough  
**G** **D**  
Cause you and I are dangerous  
**Em** **C**  
We want too much and life ain t that way  
**G** **D**  
Don t ask for more, you d be a fool  
**Em** **C**  
Haven t we already broken every rule
