

Reach

Gloria Estefan

D# **D#/C#** **Cm** **Fm** **Bb**
Some dreams live on in time forever
D# **D#/C#** **G# - G#m**
Those dreams, you want with all your heart
Cm **Fm**
And I'll do whatever it takes
Cm **Fm**
follow through with the promise I made
F#
Put it all on the line
(F#) **Bb**
What I hoped for at last would be mine

(Chorus)

D# **Bb**
If I could reach, higher
Fm
Just for one moment touch the sky
G#
From that one moment in my life
I'm gonna be stronger
Know that I've tried my very best
I'd put my spirit to the test
Bb
If I could reach
Some days are meant to be remembered
Those days we rise above the stars
So I'll go the distance this time
Seeing more the higher I climb
That the more that this dream will be mine

(Repeat Chorus)

(Agora com **F** **C** **Gm** **Bb**)

If I could reach, higher
Just for one moment touch the sky
From that one moment in my life
I'm gonna be stronger
I'm gonna be so much stronger
Yes I am
I put my spirit to the test

If I could reach, higher
If I could, If I could
If I could reach

Reach, I d reach, I d reach
I d reach, I d reach so much higher
Be stronger
