Reach
Gloria Estefan

D#   **D#/C#**   **Cm**   **Fm** **Bb**
Some dreams live on in time forever
       D#   **D#/C#**   **G#** - **G#m**
Those dreams, you want with all your hea-art
          Cm   **Fm**
And I ll do whatever it takes
         Cm   **Fm**
follow through with the promisse I made
       F#
Put it all on the line
        (**F#**)   **Bb**
What I hopped for at last would be mine

(Chorus)

            D#   **Bb**
If I could reach, higher
             Fm
Just for one moment touch the sky
              G#
From that one moment in my life
I m gonna be stronger
Know that I ve tried my very best
I d put my spirit to the test
          Bb
If I could reach
Some days are meant to be remembered
Those days we rise above the stars
So I ll go the distance this time
Seeing more the higher I climb
That the more that this dream will be mine

(Repeat Chorus)

(Agora com **F**   **C**   **Gm**   **Bb**)

If I could reach, higher
Just for one moment touch the sky
From that one moment in my life
I m gonna be stronger
I m gonna be so much stronger
Yes I am
I put my spirit to the test

If I could reach, higher
If I could, If I could
If I could reach

Reach, I d reach, I d reach
I d reach, I d reach so much higher
Be stronger
