

Reach

Gloria Estefan

E **E/C#** **C#m** **F#m** **B**
Some dreams live on in time forever
E **E/C#** **A - Am**
Those dreams, you want with all your heart
C#m **F#m**
And I'll do whatever it takes
C#m **F#m**
follow through with the promise I made
G
Put it all on the line
(G) **B**
What I hoped for at last would be mine

(Chorus)

E **B**
If I could reach, higher
F#m
Just for one moment touch the sky
A
From that one moment in my life
I'm gonna be stronger
Know that I've tried my very best
I'd put my spirit to the test
B
If I could reach
Some days are meant to be remembered
Those days we rise above the stars
So I'll go the distance this time
Seeing more the higher I climb
That the more that this dream will be mine

(Repeat Chorus)

(Agora com **F#** **C#** **G#m** **B**)

If I could reach, higher
Just for one moment touch the sky
From that one moment in my life
I'm gonna be stronger
I'm gonna be so much stronger
Yes I am
I put my spirit to the test

If I could reach, higher
If I could, If I could
If I could reach

Reach, I d reach, I d reach
I d reach, I d reach so much higher
Be stronger
