

Reach

Gloria Estefan

**E** **E/C#** **C#m** **F#m** **B**  
Some dreams live on in time forever  
**E** **E/C#** **A - Am**  
Those dreams, you want with all your heart  
**C#m** **F#m**  
And I'll do whatever it takes  
**C#m** **F#m**  
follow through with the promise I made  
**G**  
Put it all on the line  
**(G)** **B**  
What I hoped for at last would be mine

(Chorus)

**E** **B**  
If I could reach, higher  
**F#m**  
Just for one moment touch the sky  
**A**  
From that one moment in my life  
I'm gonna be stronger  
Know that I've tried my very best  
I'd put my spirit to the test  
**B**  
If I could reach  
Some days are meant to be remembered  
Those days we rise above the stars  
So I'll go the distance this time  
Seeing more the higher I climb  
That the more that this dream will be mine

(Repeat Chorus)

(Agora com **F#** **C#** **G#m** **B**)

If I could reach, higher  
Just for one moment touch the sky  
From that one moment in my life  
I'm gonna be stronger  
I'm gonna be so much stronger  
Yes I am  
I put my spirit to the test

If I could reach, higher  
If I could, If I could  
If I could reach

Reach, I d reach, I d reach  
I d reach, I d reach so much higher  
Be stronger
