

Reach

Gloria Estefan

C# **C#/C#** **Bbm** **Ebm** **G#**
Some dreams live on in time forever
 C# **C#/C#** **F# - F#m**
Those dreams, you want with all your heart
 Bbm **Ebm**
And I'll do whatever it takes
 Bbm **Ebm**
follow through with the promise I made
 E
Put it all on the line
 (E) **G#**
What I hoped for at last would be mine

(Chorus)

C# **G#**
If I could reach, higher
 Ebm
Just for one moment touch the sky
 F#
From that one moment in my life
I'm gonna be stronger
Know that I've tried my very best
I'd put my spirit to the test
 G#
If I could reach
Some days are meant to be remembered
Those days we rise above the stars
So I'll go the distance this time
Seeing more the higher I climb
That the more that this dream will be mine

(Repeat Chorus)

(Agora com **Eb** **Bb** **Fm** **G#**)

If I could reach, higher
Just for one moment touch the sky
From that one moment in my life
I'm gonna be stronger
I'm gonna be so much stronger
Yes I am
I put my spirit to the test

If I could reach, higher
If I could, If I could
If I could reach

Reach, I d reach, I d reach
I d reach, I d reach so much higher
Be stronger
