

Reach

Gloria Estefan

**C#**      **C#/C#**                      **Bbm**      **Ebm**    **G#**  
Some dreams live on in time forever  
          **C#**                      **C#/C#**                      **F# - F#m**  
Those dreams, you want with all your heart  
          **Bbm**                      **Ebm**  
And I'll do whatever it takes  
          **Bbm**    **Ebm**  
follow through with the promise I made  
          **E**  
Put it all on the line  
          **(E)**    **G#**  
What I hoped for at last would be mine

(Chorus)

**C#**      **G#**  
If I could reach, higher  
          **Ebm**  
Just for one moment touch the sky  
          **F#**  
From that one moment in my life  
I'm gonna be stronger  
Know that I've tried my very best  
I'd put my spirit to the test  
          **G#**  
If I could reach  
Some days are meant to be remembered  
Those days we rise above the stars  
So I'll go the distance this time  
Seeing more the higher I climb  
That the more that this dream will be mine

(Repeat Chorus)

(Agora com **Eb**      **Bb**      **Fm**      **G#** )

If I could reach, higher  
Just for one moment touch the sky  
From that one moment in my life  
I'm gonna be stronger  
I'm gonna be so much stronger  
Yes I am  
I put my spirit to the test

If I could reach, higher  
If I could, If I could  
If I could reach

Reach, I d reach, I d reach  
I d reach, I d reach so much higher  
Be stronger
