

Reach

Gloria Estefan

F **F/C#** **Dm** **Gm** **C**
Some dreams live on in time forever
F **F/C#** **Bb - Bbm**
Those dreams, you want with all your heart
Dm **Gm**
And I'll do whatever it takes
Dm **Gm**
follow through with the promise I made
G#
Put it all on the line
(G#) **C**
What I hoped for at last would be mine

(Chorus)

F **C**
If I could reach, higher
Gm
Just for one moment touch the sky
Bb
From that one moment in my life
I'm gonna be stronger
Know that I've tried my very best
I'd put my spirit to the test
C
If I could reach
Some days are meant to be remembered
Those days we rise above the stars
So I'll go the distance this time
Seeing more the higher I climb
That the more that this dream will be mine

(Repeat Chorus)

(Agora com **G** **D** **Am** **C**)

If I could reach, higher
Just for one moment touch the sky
From that one moment in my life
I'm gonna be stronger
I'm gonna be so much stronger
Yes I am
I put my spirit to the test

If I could reach, higher
If I could, If I could
If I could reach

Reach, I d reach, I d reach
I d reach, I d reach so much higher
Be stronger
