

Words Get In The Way
Gloria Estefan

(inrtro) **F6** **F7+**

F6	F7+
I realize you re seeing someone new	
Dm7	Dm
I don t believe she knows you like I do	
Bb	
Your temperamental moody side,	
Bbm	Bb/C C
The one you always try to hide from me.	
F6	F7+
But I know when you have something on your mind	
Dm7	Dm
You ve been trying to tell me for the longest time	
Bb	
And before you break my heart in two,	
Bbm	Bb/C C
There s something I ve been trying to say to you.	

(refrão)

F	
But the words get in the way	
G	
There s so much I want to say	
Dm	
But it s locked deep inside	
Bb	
And if you look in my eyes,	C
We might fall in love again.	
F	
I won t even start to cry	
G	
And before we say good bye,	
Bb	
I tried to say I love you	
C	F6 F7+
But the words get in the way.	
F6	F7+
Your heart has always been an open door	
Dm7	Dm
But baby, I don t even know you anymore	
Bb	
And despite the fact it s hurting me,	
Bbm	Bb/C C
I know the time has come to set you free.
