

Words Get In The Way
Gloria Estefan

(inrtro) F#6 F#7+

F#6 F#7+
I realize you re seeing someone new
Ebm7 Ebm
I don t believe she knows you like I do
B
Your temperamental moody side,
Bm B/C C#
The one you always try to hide from me.
F#6 F#7+
But I know when you have something on your mind
Ebm7 Ebm
You ve been trying to tell me for the longest time
B
And before you break my heart in two,
Bm B/C C#
There s something I ve been trying to say to you.

(refrão)

F#
But the words get in the way
G#
There s so much I want to say
Ebm
But it s locked deep inside
B
And if you look in my eyes, C#
We might fall in love again.
F#
I won t even start to cry
G#
And before we say good bye,
B
I tried to say I love you
C# F#6 F#7+
But the words get in the way.
F#6 F#7+
Your heart has always been an open door
Ebm7 Ebm
But baby, I don t even know you anymore
B
And despite the fact it s hurting me,
Bm B/C C#
I know the time has come to set you free.

(refrão)
