

Words Get In The Way
Gloria Estefan

(inrtro) Eb6 Eb7+

Eb6 **Eb7+**
I realize you re seeing someone new
Cm7 **Cm**
I don t believe she knows you like I do
G#
Your temperamental moody side,
G#m **G#/C** **Bb**
The one you always try to hide from me.
Eb6 **Eb7+**
But I know when you have something on your mind
Cm7 **Cm**
You ve been trying to tell me for the longest time
G#
And before you break my heart in two,
G#m **G#/C** **Bb**
There s something I ve been trying to say to you.

(refrão)

Eb
But the words get in the way
F
There s so much I want to say
Cm
But it s locked deep inside
G#
And if you look in my eyes,
Bb
We might fall in love again.
Eb
I won t even start to cry
F
And before we say good bye,
G#
I tried to say I love you
Bb **Eb6** **Eb7+**
But the words get in the way.
Eb6 **Eb7+**
Your heart has always been an open door
Cm7 **Cm**
But baby, I don t even know you anymore
G#
And despite the fact it s hurting me,
G#m **G#/C** **Bb**
I know the time has come to set you free.
