

Words Get In The Way
Gloria Estefan

(inrtro) **G6 G7+**

G6 **G7+**
I realize you re seeing someone new
Em7 **Em**
I don t believe she knows you like I do
C
Your temperamental moody side,
Cm **C/C** **D**
The one you always try to hide from me.
G6 **G7+**
But I know when you have something on your mind
Em7 **Em**
You ve been trying to tell me for the longest time
C
And before you break my heart in two,
Cm **C/C** **D**
There s something I ve been trying to say to you.

(refrão)

G
But the words get in the way
A
There s so much I want to say
Em
But it s locked deep inside
C
And if you look in my eyes,
D
We might fall in love again.
G
I won t even start to cry
A
And before we say good bye,
C
I tried to say I love you
D **G6** **G7+**
But the words get in the way.
G6 **G7+**
Your heart has always been an open door
Em7 **Em**
But baby, I don t even know you anymore
C
And despite the fact it s hurting me,
Cm **C/C** **D**
I know the time has come to set you free.

(refrão)

C

I m trying to say I love you

D
