

**Cant Shake You  
Gloriana**

(verse)

**F#m**  
I still change the station  
**A** **A C#m**  
Every time they play that song  
**F#m**  
Can t drive past your house  
**A** **A C#m**  
So I take the long way home  
**F#m**  
Your black leather jacket  
**A**  
Still hangin in my closet  
**E**  
I wish that I could give it away  
**D** **Esus4** **E**  
Oh even though you re gone somehow you stay

(chorus)

**A** **F#m**  
And every other time a love said goodbye  
**D**  
I just shake it off, shake it off  
**A** **F#m**  
Pour another drink so I don t feel a thing  
**D** **Bm**  
I just shake it off, Just break it off  
**A** **F#m**  
Erased all your numbers, blocked all your calls  
**A** **F#m**  
Tried another lover, built up my walls  
**A** **F#m** **Bm** **C#m D**  
Told myself it s over, don t know what else I can do  
**F#m**  
Can t shake you
