Kissed You Goodnight (Girl's Version) by Gloriana

Capo: 4th

[illegible]

Wondering what went wrong **G D**
Cadd9 D
 Praying that you wouldn't go
Em Cadd9
 You should have kissed me
G D
 You should have pushed me up against the wall
Em Cadd9
 You should have kissed me
G D
 I was right on the edge and ready to fall

G
 You turned off the car
D
 Ran through the yard
Cadd9 D
 Back to my front door
G
 Before you could knock
D
 I turned the lock
Cadd9 D
 And met you on the front porch
Em Cadd9
 And you kissed me
G D
 Goodnight
Em Cadd9
 And now that you've kissed me
G D G, D, Cadd9, D
 It's a good night good night baby goodnight

G
 You turned off the car
D
 Ran through the yard
Em Cadd9
 Back to my front door
G
 Half scared to death
D
 Can't catch my breath
Cadd9 (strum once, then stop)
 Aren't these the moments we live for

Em Cadd9
 And you kissed me
G D
 Goodnight
Em Cadd9
 And now that you've kissed me
