   Am   F   G   C   Dm
e|-0---1---3---0---1-|
B|-1---1---3---1---3-|
G|-2---2---0---0---2-|
D|-2---3---0---2---0-|
A|-0---3---2---3---x-|
E|-x---1---3---0---x-|
```

Am (F) x2

```
Am                               F
There you go in all your beautiful glory
Am                               F
Messing with my head like you always did
```

```
   G
I m thinking things I don t want to say
```

```
   F
And I can t breathe
```

```
   G
What do I have to tell you girl
```

```
   Dm
So you won t leave
```

```
   F                               C
Tell me what I want to hear
```

```
   Am                               G
I don t care if you re lying baby
```

```
   F                               C                               G
I just want to feel you touch me right now
```

```
   F                               C
Go ahead and call it love
```

```
   Am                               G
Tomorrow you can deny it baby
```

```
   F                               C
Kiss me again, let me pretend
```

```
   G
That it s not wrong
```
