**Gloriana**

Gloriana - The way it goes

Intro: **Bm7** - **F#7** - **Bm7** - **B2** (X2)

**F#7**

So glad I hung up the phone,

**B**

My best friend called

**F#7**

And told me not to go

**G#m7** **F#7** **Bm7** **F#7** **Bm7**

I d just get my heart broke one more time

**F#7**

I walked in and there you were,

**B2** **F#7**

Looking better than I ever remembered

**E** **F#7**

Smiling that smile

**F#7**

Like nothing ever happened,

**F#** **E** **F#**

You were never not mine

**F#**

Crazy, I know, I know

**E** **F#** **B**

Ainâ€™t that the way it goes,

**B** **F#** **E** **F#**

Always stumbling into something,

**F#** **B2** **F#**

Lifeâ€™s an open road,

**G#m**

You gotta take it,

**B** **F#** **E**

If you just let go,

**F#** **E**

Lose your way to find that one thing

**F#** **Bm7**

Youâ€™ve been missingâ€|

**E** **F#7**

You almost missed it all

**F#7** **Bm7** **B2** **Bm7**

**F#7**

So glad, I turned around,

**B** **F#7**

I know where Iâ€™d be right now

Somewhere downtown thinking about,

What could have been,

And love would never be again
