

**Turn My World Around**  
**Gloriana**

[Intro]

**A D E A** x2

[Verse 1]

**A D**

I ve been searching

**E A**

I ve been thinking

**A D E A**

I can t keep rolling like a broken stone

**A D**

I ve been praying

**E A**

Lord, don t let me

**A D E A**

Walk through life empty and alone

[Chorus]

**A D E A**

No one ever loved me like you do

**A D E A**

You know I been let down a time or two

**A D E A**

I was all but lost, I was nowhere bound

**A D E A**

You came along and turned my world around

[Post-Chorus]

**A D E A**

ooh ooh ooh

**A D E A**

[Verse 2]

**A D**

You ve been patient

**E A**

You ve been honest

**A D E A**

You asked for nothing, but a hand to hold

**A D**

You ve been fearless

**E A**

When you whisper

**A D E A**

A simple promise worth it s weight in gold

[Chorus]

**A**            **D**            **E**            **A**  
No one ever loved me like you do  
**A**                    **D**                    **E**                    **A**  
You know I been let down a time or two  
**A**                    **D**                    **E**                    **A**  
I was all but lost, I was nowhere bound  
          **A**                    **D**                    **E**                    **A**  
You came along and turned my world around

[Instrumental]

**A D E A** 2x

[Bridge]

**F#m**            **D**                    **A**                    **E**  
One kiss, one touch, one look could say so much  
**F#m**            **D**                    **A**                    **E**  
One dream, so right, two hearts are one tonight

[Verse 3]

**A**                    **D**  
We ve been tested  
**E**                    **A**  
We ve been lucky  
**A**                    **D**                    **E**                    **A**  
We found each other in this endless crowd  
**A**                    **D**  
We ve been blessed  
          **E**                    **A**  
Our search is over  
**A**                    **D**                    **E**                    **A**  
Forever starts right here, right now

[Chorus]

**A**                    **D**                    **E**                    **A**  
No one ever loved me like you do  
**A**                    **D**                    **E**                    **A**  
You know I ve been let down a time or two  
**A**                    **D**                    **E**                    **A**  
I was all but lost, I was nowhere bound  
          **A**                    **D**                    **E**                    **A**  
You came along and turned my world around

[Outro]

**A**                    **D**                    **E**                    **A**  
You know you turned my world around  
          **A**                    **D**                    **E**                    **A**  
You know you turned my world around
