A Little Better
Gnarls Barkley

```
  Eb
Now I can sing you the story line
  Ebm
And if you like my story fine
  B                   C#
But ain t none of the glory mine
  Eb
See my life was a lonely one
  Ebm
And I was dear momma s only son
  B                         C#
With no idea of what I m gonna become
  Eb
And I didn t have long to know
  Ebm
That you don t have to be grown to go
  B                 C#
I could have died so long before
  Eb
Then I finally saw the sign
  Ebm
And I made it on down the line
  B              C#
One step at a time

  Cm
I feel a lil better
  Eb
I can smile at it now
  Bbm
I feel a lil better ?hah
  Cm
Oh better
  Eb                            Bbm
And even a little is still a lil better
   C#
Oh have mercy on me

  Eb
Ooh it s probably plain to see
  Ebm
That I got a whole lot of pain in me
  B                 C#
And it will always remain in me
  Eb
So cold it s a crying shame
  Ebm
```

Yet here I am trying again
 B   C#
Cause I refuse to die in vain
  Eb
The circumstances put soul in me
  Ebm
And there ain t no holding me
 B   C#
I ve got a heart made of gold in me
  Eb
Can you believe this is where I ve been?
  Ebm
And when adversity comes again
 B   C#
I ll deal with it then

  Cm
I feel better
  Eb
I can laugh at it now
  Bbm
I feel better ?Ha ha
  Cm
Oh better
  Eb
And even a little is still a little better
  C#
Oh have mercy on me

  Eb
I said everything s fine you can take your time
  Ebm
What would be on your mind if you knew you was dyin
 B   C#
I would wanna just feel this a one more time
  Eb
I said everything s fine you can take your time
  Ebm
What would be on your mind if you knew you was dyin
 B   C#
I would wanna just feel this a one more time
  Eb
I wanna thank you morning sun
  Ebm
I wanna thank you lowly dirt
 B   C#
Now I know I m not the only one
  Eb
I, I wanna thank you friendly ghost
  Ebm
When all the calls were close
 B   C#
It seems like you care the most

```
 Eb
I, I wanna thank you mom and dad
 Ebm
For hurting me so bad
 B                 C#
But you re the best I ever had
 Eb
I, I wanna thank you
```
