Em **Bm**
This could be one of those days
Em **Bm**
When we must go our separate ways.
Em **Bm**
It s good for you to be out of my sight,
Em **Bm**
Because you never know, you might.

Em **Bm**
You were perfect babe.
Em **Bm**
My time will come yours too.
Em **Bm**
I ll gladly go before you.

I hope you live forever,
Or maybe we can go together.
It would be perfect baby.

And i carry this,
It s heavy.
And i miss you
