Left the life that I was living  
Just some memories of it  
Mostly the ones I can t forget

Whenever you need me I ll be here  
Until then my dear

Setting sail to St. Elsewhere

(That s the chord structure there)

Anywhere you sit you can see the sun  
Unfortunately on this island I m the only one  
Same rules apply on a rainy day  
And it s not such a pretty place to be  
It just rains, and rains, and rains on me  
Send a simple side, I can understand  
Then a flower grew out that sand  
Before you knew it, I was back out on that sea  
Now I don t mind it so much  
Because as long as I m not there  
Anywhere is St. Elsewhere

Way over yonder there is new frontier  
Would it be so hard for you to come and visit me here?  
I understand  
Would you just send me a message in a bottle then baby?
