Intro: (**Em G Em**)

Em Em G

I always see the light

G

Way before the dark

Em G

And you always see the end

Em G

Way before the start

C Am

I ve been trying and

Em

Finding that things going right

G

Aren t as simple

Em G

As everyone told me they would be

G

I know that you miss me

Em

I m sorry I m busy

Em G Em G

And, don t make the time

Em G

For the things you ask from me

C

Out of breath

C

Out of time

C

Is it your turn?

C

Is it mine?

Em

I can t sleep tonight

Em G

I can t sleep tonight, no

C C

Is it fine, if we find

Em G

That in time this isn t right

Em

I can t speak tonight

Em **G**
I can t speak tonight, no

C
Just make me feel special

Em **G**
And make me feel loved

Em **G**
Make me feel something

Em **G**
Lately life s made me numb

C
I just want to hold you

Em
For just long enough

C
So you don t get tired of me telling you

Am
I Love You So Much

Em
If I take care of you

Em **G**
Who s gonna take care of me

Em **G**
I could just say take care and leave

Em **G**
But I love how you stare at me

Em
I stay cause I m scared to leave

Em
I m not prepared to be

Em
Lonely without you see

Em **G**
That just won t feel right

Em
I need you in my life

C
Out of breath
