C F Am G

[Verse 1]

	C	F	
You don t have to be so scared			
	Am	G	
You don t have to go tonight			
	C	F	
I just need to hold on tight			
	Am	G	
For one hell of a ride			
	C	F	
And we lost it all just now			
	Am	G	
To the nights that left you out			
	C	F	
So we ll let this go somehow			
	Am	G	
But you re gonna be proud			so proud

[Chorus]

	C	
And I just needed you to pick me up		
	F	
Like you did when we were younger		
	Am	
When the lightning and the thunder		

G

Had me clinging to your heart
For someone

C

To lift me up

F

When I m down and I m forgotten

Am

You ll forever be my father

G

And I ll be saving tears in jars for this one
